### Section 1: First 100 plants with reference status

001. *Medicago elegans* | references: yes | count: 4
002. *Dahlia tricolor* | references: yes | count: 3
003. *Buxus diffusa* | references: no | count: 0
004. *Fagopyrum americana* | references: yes | count: 4
005. *Spathiphyllum hederacea* | references: yes | count: 4
006. *Cocos amarum* | references: yes | count: 5
007. *Populus grisea* | references: yes | count: 4
008. *Carthamus flava* | references: yes | count: 4
009. *Asclepias inermi* | references: yes | count: 2
010. *Urtica longifolia* | references: yes | count: 2
011. *Catharanthus arvensis* | references: yes | count: 5
012. *Convolvulus procumbens* | references: yes | count: 4
013. *Cinnamomum multiflora* | references: yes | count: 3
014. *Stellaria sylvatica* | references: no | count: 0
015. *Ferula edulis* | references: yes | count: 4
016. *Pisum vernalis* | references: yes | count: 4
017. *Bidens calendulacea* | references: no | count: 0
018. *Foeniculum esculenta* | references: no | count: 0
019. *Rubus longifolia* | references: yes | count: 5
020. *Psidium erecta* | references: yes | count: 5
021. *Lycium arvensis* | references: yes | count: 5
022. *Zea orientalis* | references: yes | count: 4
023. *Ananas humilis* | references: yes | count: 4
024. *Lavandula orientalis* | references: yes | count: 5
025. *Rubus alpina* | references: yes | count: 4
026. *Cicer coccinea* | references: yes | count: 4
027. *Buxus nitida* | references: no | count: 0
028. *Catharanthus indica* | references: yes | count: 4
029. *Acacia longifolia* | references: yes | count: 5
030. *Sorghum media* | references: yes | count: 5
031. *Ulex nana* | references: yes | count: 3
032. *Lavandula nobilis* | references: yes | count: 4
033. *Eugenia alba* | references: yes | count: 4
034. *Nicotiana purpurea* | references: yes | count: 4
035. *Musa dentata* | references: yes | count: 5
036. *Hemerocallis erecta* | references: yes | count: 4
037. *Picea officinalis* | references: yes | count: 4
038. *Olea patula* | references: yes | count: 4
039. *Coriandrum crispum* | references: yes | count: 4
040. *Aegle spicata* | references: yes | count: 4
041. *Lens recurva* | references: yes | count: 4
042. *Juglans dubia* | references: yes | count: 4
043. *Atriplex vernalis* | references: yes | count: 4
044. *Crinum decurrens* | references: yes | count: 4
045. *Xanthium europaea* | references: yes | count: 4
046. *Medicago maculata* | references: yes | count: 4
047. *Picea media* | references: yes | count: 4
048. *Musa compacta* | references: yes | count: 5
049. *Yucca elongata* | references: yes | count: 4
050. *Stevia nobilis* | references: yes | count: 4
051. *Cynodon nitida* | references: yes | count: 5
052. *Silybum carnea* | references: yes | count: 5
053. *Delonix pallida* | references: yes | count: 2

054. *Lonicera perennis* | references: yes | count: 5  
055. *Apium zeylanica* | references: yes | count: 4  
056. *Colocasia fruticosa* | references: yes | count: 5  
057. *Camellia erecta* | references: yes | count: 4
